REGIONAL UPDATES

The USGA Green Section is divided into four regions staffed by agronomists who work with golf facilities on care of the golf course. USGA agronomists provide regular regional updates outlining current issues and observations from the field. Be sure to view updates from multiple regions as featured ideas, techniques and solutions to problems often apply to other parts of the country.

NORTHEAST REGION

Have you ever wondered what golf course superintendents do during winter? The answer may surprise you. From accomplishing large projects to improving professionally, seldom is winter idle time for golf course superintendents.

Read More

SOUTHEAST REGION

Current weather patterns have increased disease pressure at courses throughout the region. Even if your course isn't experiencing disease pressure, this regional update provides valuable information in case future conditions encourage disease development at your facility.

Read More

WEST REGION

The Southern California Regional Conference recently took place at Oakmont Country Club. This regional update presents highlights from several of the presentations delivered during last week's educational conference.

Read More

CENTRAL REGION

Sustainability doesn't hibernate during the winter. Regardless of where your course is located, there are simple and effective ways to preserve playing quality and improve the environmental friendliness of your course.

The Jan. 9, 2015, issue of the USGA Green Section Record is your go-to source for information about winter play management. View This Issue

2014 USGA GREEN SECTION RECORD COMPENDIUM - NOW AVAILABLE

We sent you a lot of information in 2014 - maybe even more than you had time to read when you received each issue. To make it as easy as possible for you to enjoy and utilize the Green Section Record, all of the articles, videos and webcasts have been assembled into a single, easy-to-use 2014 USGA Green Section Record Compendium.

The compendium is a very powerful resource. In addition to being easy to navigate and fully searchable, individual articles can be printed or shared via email and social media.

Please take a few moments to browse the compendium and feel free to share it with others.
