A GIFT FOR "GOLF HOUSE"

Ben Hogan, a golfer of whom you may have heard previously, is shown here sharing smiles with Isaac B. Grainger, President of the USGA, as he presented to "Golf House" the ball with which he completed his victory in the 1953 British Open. "Golf House" previously had received the ball Hogan used in cementing his win in the 1953 USGA Open, and the two balls are displayed side by side.
