

IT'S YOUR HONOR

New Professional

TO THE USGA:

I've decided to take the big step, how wise a one will be decided only by time, to turn professional. I have been torn ever since I returned home, whether to go back to school and enter medicine or to go into golf professionally.

In talking it over with my parents several things have contributed to my decision; namely, I don't like the idea of my father putting out money for my support for that length of time, eight or nine years, and also as much as I love golf, I just can't see giving it up, which is what the other would mean. I feel perhaps as a professional I will have the opportunity to contribute something to the game that has been so good to me.

Pleasure and Privilege

TO THE USGA:

This is just a note to let you know that I thoroughly enjoyed The Americas Cup Match—the competition, the banquet, the privilege, the association and everything about the matches—and am very proud to be a member of the winning team.

It was certainly a pleasure and honor to represent the United States in an international competition, and I am very grateful to all of you for giving me the opportunity to play for our country.

LT. JOSEPH W. CONRAD
SAN MARCOS, TEXAS

Scottish Grace

TO THE USGA:

Just a note to thank you for everything you did to make the Women's

Amateur Championship so enjoyable. Everything was so well organized and the officials always ready to give all the help they could.

MISS JANETTE S. ROBERTSON
GLASGOW, SCOTLAND

Wonderful Sportsmanship

TO THE USGA:

Our members, the employees and especially our Tournament Committee were very proud that this Club was chosen to be host to the Junior Amateur Championship.

They all were especially impressed with the wonderful sportsmanship displayed by the boys.

THE LOS ANGELES COUNTRY CLUB
LOS ANGELES, CAL.

Growing Up

TO THE USGA:

Many thanks to you for your many kind deeds to our daughter, Susan Driscoll, during the Girls' Junior Championship.

She still speaks of her experiences as sort of a trip to fairyland and can't say enough for how much you have done to further junior golf.

MRS. J. GREGORY DRISCOLL
UNIVERSITY CITY, MO.

Erratum

In the September, 1954, issue we printed a letter from W. S. Hook, Secretary of the Utah Copper Golf Club, Magna, Utah, in which he stated that his Club had rebuilt a number of putting greens, "using Colonial and Arlington bent grass." This was an error, as Colonial bent is unsuited for putting greens. The grasses used were Congressional and Arlington bents.

Editor's Note: The USGA Journal invites comments on matters relating to the welfare of the game and will publish them if space permits.
