'ON CAMERA' FOR NEW USGA FILM

Johnny Farrell, golf professional at the Baltusrol Golf Club, Springfield, N. J., indulges in a practice swing prior to the filming of a scene for the USGA's latest motion picture "Play Them As They Lie," premiered at the Association's annual meeting last month. Filmed in color over the Baltusrol course, the picture gives an authentic interpretation of the Rules of Golf—Fairway and Rough. The film is now available to clubs and interested groups.
