

IT'S YOUR HONOR

All In The USGA Family

To THE USGA:

We wish to advise that the Board of Directors of River Oaks Country Club has revised the guest rules pertaining to Non-Resident Guests-Members of Golf Clubs as follows:

"Members of Golf Clubs that belong to the United States or the Texas Golf Associations, shall have the courtesies of the course extended upon satisfactory identification and by payment of the regular greens fees."

and

"A Non-Resident member of a Golf Club that belongs to the United States or the Texas Golf Associations shall have the courtesies of the Club House extended to him upon satisfactory identification for forty-eight hours as a guest, his name and residence with the name and address of his Country Club being entered on the visitors' book. All bills contracted by such guest shall be sent direct to his Country Club for payment."

We will appreciate your publicizing through your periodicals our desire to work out reciprocal arrangements with other clubs affiliated with your association.

Houston, Texas

Boom in Japan

To THE USGA:

Golf is getting popular more and more in Japan and new courses are being built on all available lands. It will not be long before we double the present number of courses, which is about 100.

Presently our golf courses cannot accommodate all golfers and many new golfers go to driving ranges, which are also increasing very rapidly. Some of them are elaborate. One newly opened accommodates 150 players at one time and the range is 250 yards.

I notice in American golf magazines that a number of par-three courses have been built there. I thought we might start building some over here, too. This would certainly be better than driving ranges, and we may find land insufficient for regular courses but big enough for such courses.

SHUN NOMURA
Vice President
Japan Golf Association

Turf Boosters

To THE USGA:

We (The Albuquerque Country Club) are one of your best boosters for the Green Section's Visiting Service. At the recommendation of Dr. Marvin Ferguson, we are rebuilding the remaining 12 greens on our golf course. Our members are thoroughly sold on this program.

B. K. MIDTBON
Albuquerque, N. M.

Help

A letter recently received:

"Dear Sirs:

My friends cheat. Please send me a copy of the Rules of Golf.

Signed_____"
