

The USGA Green Section Turfgrass Service for 1975

The Turfgrass Service of the USGA Green Section again enjoyed an increase in total subscribers last year and looks forward to even greater membership support in 1975. It is the only non-profit advisory agency devoted solely to golf course turf, its playing conditions and its management. It has nothing to sell. The eight Green Section agronomists cover the nation and have made nearly 30,000 direct golf course visits to subscribing clubs in the past 23 years! Every USGA Member Club should subscribe to the Service. The cost is less than 1/3 of 1 per cent of most golf course maintenance budgets today. Why not put this highly trained team to work for your club this year?

Turfgrass subscribers receive the following benefits yearly:

- 1) Several direct conferences with a Green Section agronomist, in this manner:
 - A) A scheduled half-day, on-the-course consultation, followed by a written report from the agronomist to the Course Superintendent and Green Committee Chairman or club representative. Second visits are available if needed at no additional charge and at the club's request.
 - B) Consultation with the agronomist at local group meetings and turf conferences.
- 2) Assistance by correspondence and telephone.
- 3) A subscription to the USGA GREEN SECTION RECORD, dealing with golf turf affairs, six times a year, addressed to the Golf Course Superintendent. (This is in addition to the subscription sent to the Green Committee Chairman in connection with USGA Membership.)
- 4) A voice in the direction of turf research whose results benefit golf courses. The subscription fee covers all services and expenses; there are no extra charges for travel. (The fee for the Green Section Turfgrass Service is additional to dues for USGA Membership). A list of regional Green Section offices can be found inside the front cover.
