PODCAST

Converting Bermudagrass Fairways to Zoysia With Brian Powell

In this episode of our fairway regrassing series, we learn about going from bermudagrass to zoysia with no-till sprigging from Brian Powell, director of golf course management at Old Chatham.

PODCAST

Drew Barnett on Regrassing Fairways With an Improved Bentgrass Variety

In the third part of our fairway regrassing series Knollwood Club superintendent Drew Barnett takes us through converting a mixed stand of cool-season turf to an improved creeping bentgrass.

More From The Green Section Record

In Case You Missed It

Today's superintendents have the ability to collect and analyze mountains of data, but it's not always easy to decide how much information to collect or what will be most valuable for turf management. In the December 2 issue of the *USGA Green Section Record*, we provided a framework for using data to gain valuable insights without getting lost in a sea of numbers.

Stock Up on Green Section Educational Posters

Now is a great time to order some of our educational posters for the clubhouse, golf shop, or maintenance facility at your course. We have posters on a range of topics including frost delays, ball mark repair, and putting green aeration. Helping golfers better understand course maintenance and how they can help care for the course is a gift that keeps on giving!
