Putting Greens: Dealing with Snow and Ice Accumulations
by James T. Snow

Ay, there's the rub
by William S. Brewer, Jr.

Influence of Mowing Procedures On Roll Speed of Putting Greens
by R. E. Engel, A. M. Radko and J. Richard Trout

The Flowers on The Hills of Industry
by William H. Bengeyfield

Cover Photo:
A sod strip cut through the low area of a putting green moves water away more quickly to help reduce winter injury.
