**USGA President**  
Walter W. Driver, Jr.

**Executive Director**  
David B. Fay

**Green Section Committee Chair**  
Patrick W. McKinney  
37 Legare Street  
Charleston, SC 29401

**Turfgrass Environmental Research Chair**  
Steve Smyers  
2622 W. Memorial Blvd.  
Lakeland, FL 33815

**Editor**  
James T. Snow

**Associate Editor**  
Kimberly S. Erusha, Ph.D.

**Director of Communications**  
Marty Parkes

## Cover Photo

The absence of painted lines to define a *water hazard* means that more stakes will be needed to fully encompass the *hazard* margin. The best approach is to use painted lines for definition and stakes to identify.
