November-December 2008 Volume 46, Number 6

1 Coastal Conversions Part II

Lessons learned as seashore paspalum gains ground in a bermudagrass region. It's no longer a niche grass.

BY TODD LOWE

6 Achieving Personnel Success

Paying close attention to the human side of golf course management is a vital part of producing exceptional playing conditions.

BY PAUL H. VERMEULEN

9 Water Issues Facing the Turfgrass Industry

Leading turfgrass scientists meet to exchange ideas regarding issues facing turfgrass water use.

BY JAMES B. BEARD AND
MICHAEL P. KENNA

18 An Appeal for the Return of Golf Course Etiquette

Being a good player does not make you a good golfer.

BY JAMES FRANCIS MOORE

21 Heat and Drought Performance of Texas Bluegrass Hybrid Turf

Does this new turfgrass live up to the hype?

BY STEVE KEELEY,
DALE BREMER,
AND KEMIN SU

25 Inspiring Stewardship Throughout a Community

Extending environmental stewardship beyond the golf course and into the schools.

BY JULIE RIGG

27 News Notes

28 Nothing Comes For Free

Any maintenance practice that provides long-term improvement will require money and short-term acceptance of reduced playability, inconvenience, or both.
